jonyangomail@gmail.com | 0725-406-004 | Kiambu (Kijabe), Kenya

PROFESSIONAL SUMMARY

Adaptable professional with experience in web development, customer service and community development work. Skilled in communication, problem-solving and adapting to new tools and environments. Committed to delivering value across technical, social and customer-facing roles.

WORK EXPERIENCE

Co-founder & Lead Developer

Jan 2024 – Present

Neuro Care Foundation

- Leading the design and development of the Neuro Care platform, from concept to implementation.
- Managing a phased development roadmap, ensuring structured progress from planning to deployment and scalability.
- Providing technical support in computer maintenance, software installation and configuration, network setup, troubleshooting and assisting users in utilizing digital tools effectively.

Finance & Administration Manager

Jan 2023 – Dec 2023

Spina-bifida Hydrocephalus Association of Kenya (SHAK) Nairobi – House of Hope Program

- Managed financial operations including budgeting, expense tracking and reporting, ensuring transparency and accountability.
- Oversaw administrative functions such as records management, procurement and coordination of organizational activities, promoting efficient operations and workflows.
- Supported program implementation by allocating resources effectively and maintaining compliance with donor and regulatory requirements.

Volunteer Web Developer

May 2019 – Dec 2022

Spina-bifida Hydrocephalus Association of Kenya (SHAK) Nairobi

- Volunteered as a web developer, supporting the organization's digital initiatives and online presence.
- Collaborated with non-technical stakeholders to translate needs into functional web solutions.
- Resolved technical issues and assisted users in understanding and using digital tools effectively.

Customer Service Representative

Sep 2011 – Oct 2021

Vivo Energies – Shell Babadogo Service Station, Nairobi.

- Delivered professional customer service, handling fuel transactions and assisting customers with efficiency and accuracy.
- Processed cash and digital payments (M-Pesa and Cards) while maintaining accountability and reconciling daily sales.
- Maintained safety and operational standards on the forecourt, ensuring a clean, organized and customer-friendly environment.

Junior Customer Service Representative

April 2010 – May 2011

Total Energies – Total Likoni Road Service Station, Nairobi.

- Maintained forecourt cleanliness and supported daily station operations.
- Delivered letters, invoices and administrative documents as needed.
- Assisted customers and learned core customer service skills.
